**REQUIREMENTS FOR SCIENTIFIC REPORT
 COMPILING**

The scientific reports must be in one of the following working languages: Bulgarian, English or Russian, with a maximum length of 6 pages, including tables, figures and references. Required formatting A4, margin on all sides 2 cm, Arial 12 font, single line spacing. The report must include: title (no language contractions, capital letter typing, centered, bold), below the title: first name and surname of the author, place of work, e-mail for correspondence - in both Bulgarian and in English. An abstract (not longer than 250 words) and key words (not more than 6) in Bulgarian and in English. Introduction. Materials and methods. Results and discussions. Conclusion. References.

The measuring units (cm, m, km, t, l, g, kg, s, h, etc.) should be denoted according to the SI system.

The tables and figures are included in the text. Their titles and texts must be written in Bulgarian or Russian and in English.

The text citations are visualized as follows: single author (Petrov, 2018); two authors (Barton & Moore, 2014); more than two authors (Ivanov et al., 2017).

The cited publications must be included in the reference list at the end, which is arranged alphabetically (by the surname of the first author).

Names of authors in Cyrillic must be transliterated into Latin and article titles must be translated into English.

Report delivery time - not longer than 15 min. Every author may participate with not more than two reports in which is referenced to as first author. Posters must not exceed size of 594/841 (A1 format).

After being peer-reviewed the reports will be published and registered in the National Centre of Information and Documentation in a report collection of the scientific forum with ISSN 2683-0663 (on-line) or in a scientific journal of the Academy of Agriculture.

IMPORTANT DEADLINES:

03.09.2021 – Submission of the Registration Forms and Abstracts;

17.09.2021 – Submission of the complete text of the reports;

15.10.2021 – Notification of the final program and conference format.

MAJOR TOPICS:

1. SOIL SCIENCE AND ECOLOGY
2. MECHANIZATION OF AGRICULTURE AND HYDROMELIORATIVE SYSTEMS
3. PLANT PROTECTION
